SCHOOL BOARD

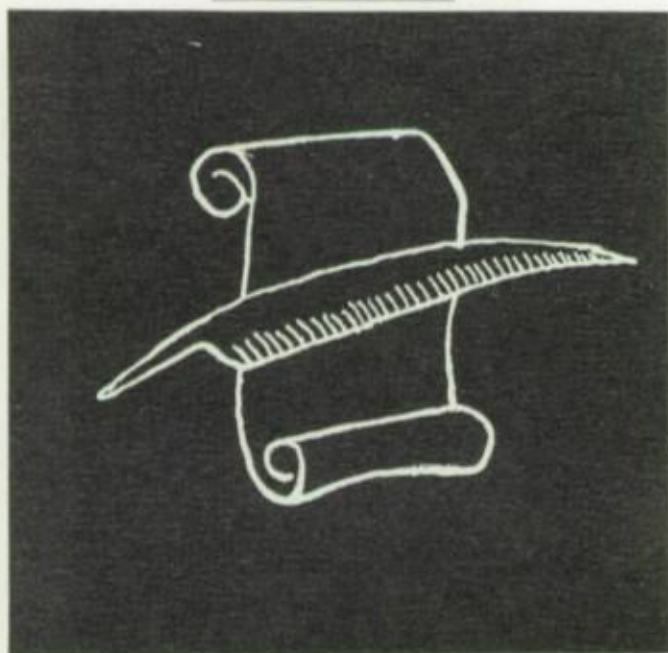

ROW 1: Harold Over, Verna Grace, Roger Hall, Joseph H. Clapper, Jr., Benjamin H. Slick, John H. Armour, James Davis, John S. Miller. ROW 2: Robert Huyer, Richard Ferry, Ray Snider, Henry Hall, Jr., Paul Ritchey, Jr., Kenneth Mowry, Norman Cole, Robert G. Little, William Helsel. Absent: Jacob Miller, David Chisholm, Clifford Zimmerman, S. Gerald Weaver.

We, the class of 1966, wish to thank the school board for their untiring efforts in the betterment of our school and the improvement of the educational program in our community.

Through your foresight and thoughtfulness, you have helped to prepare us to be leaders in whatever profession we may choose.

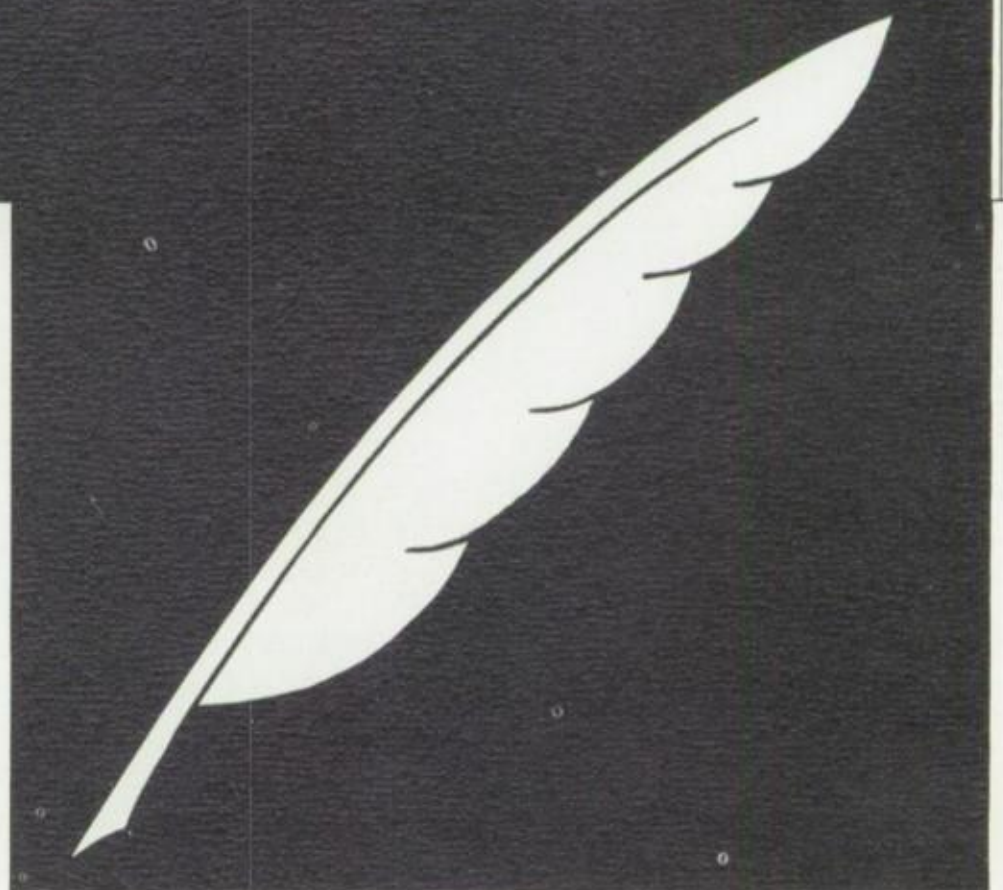

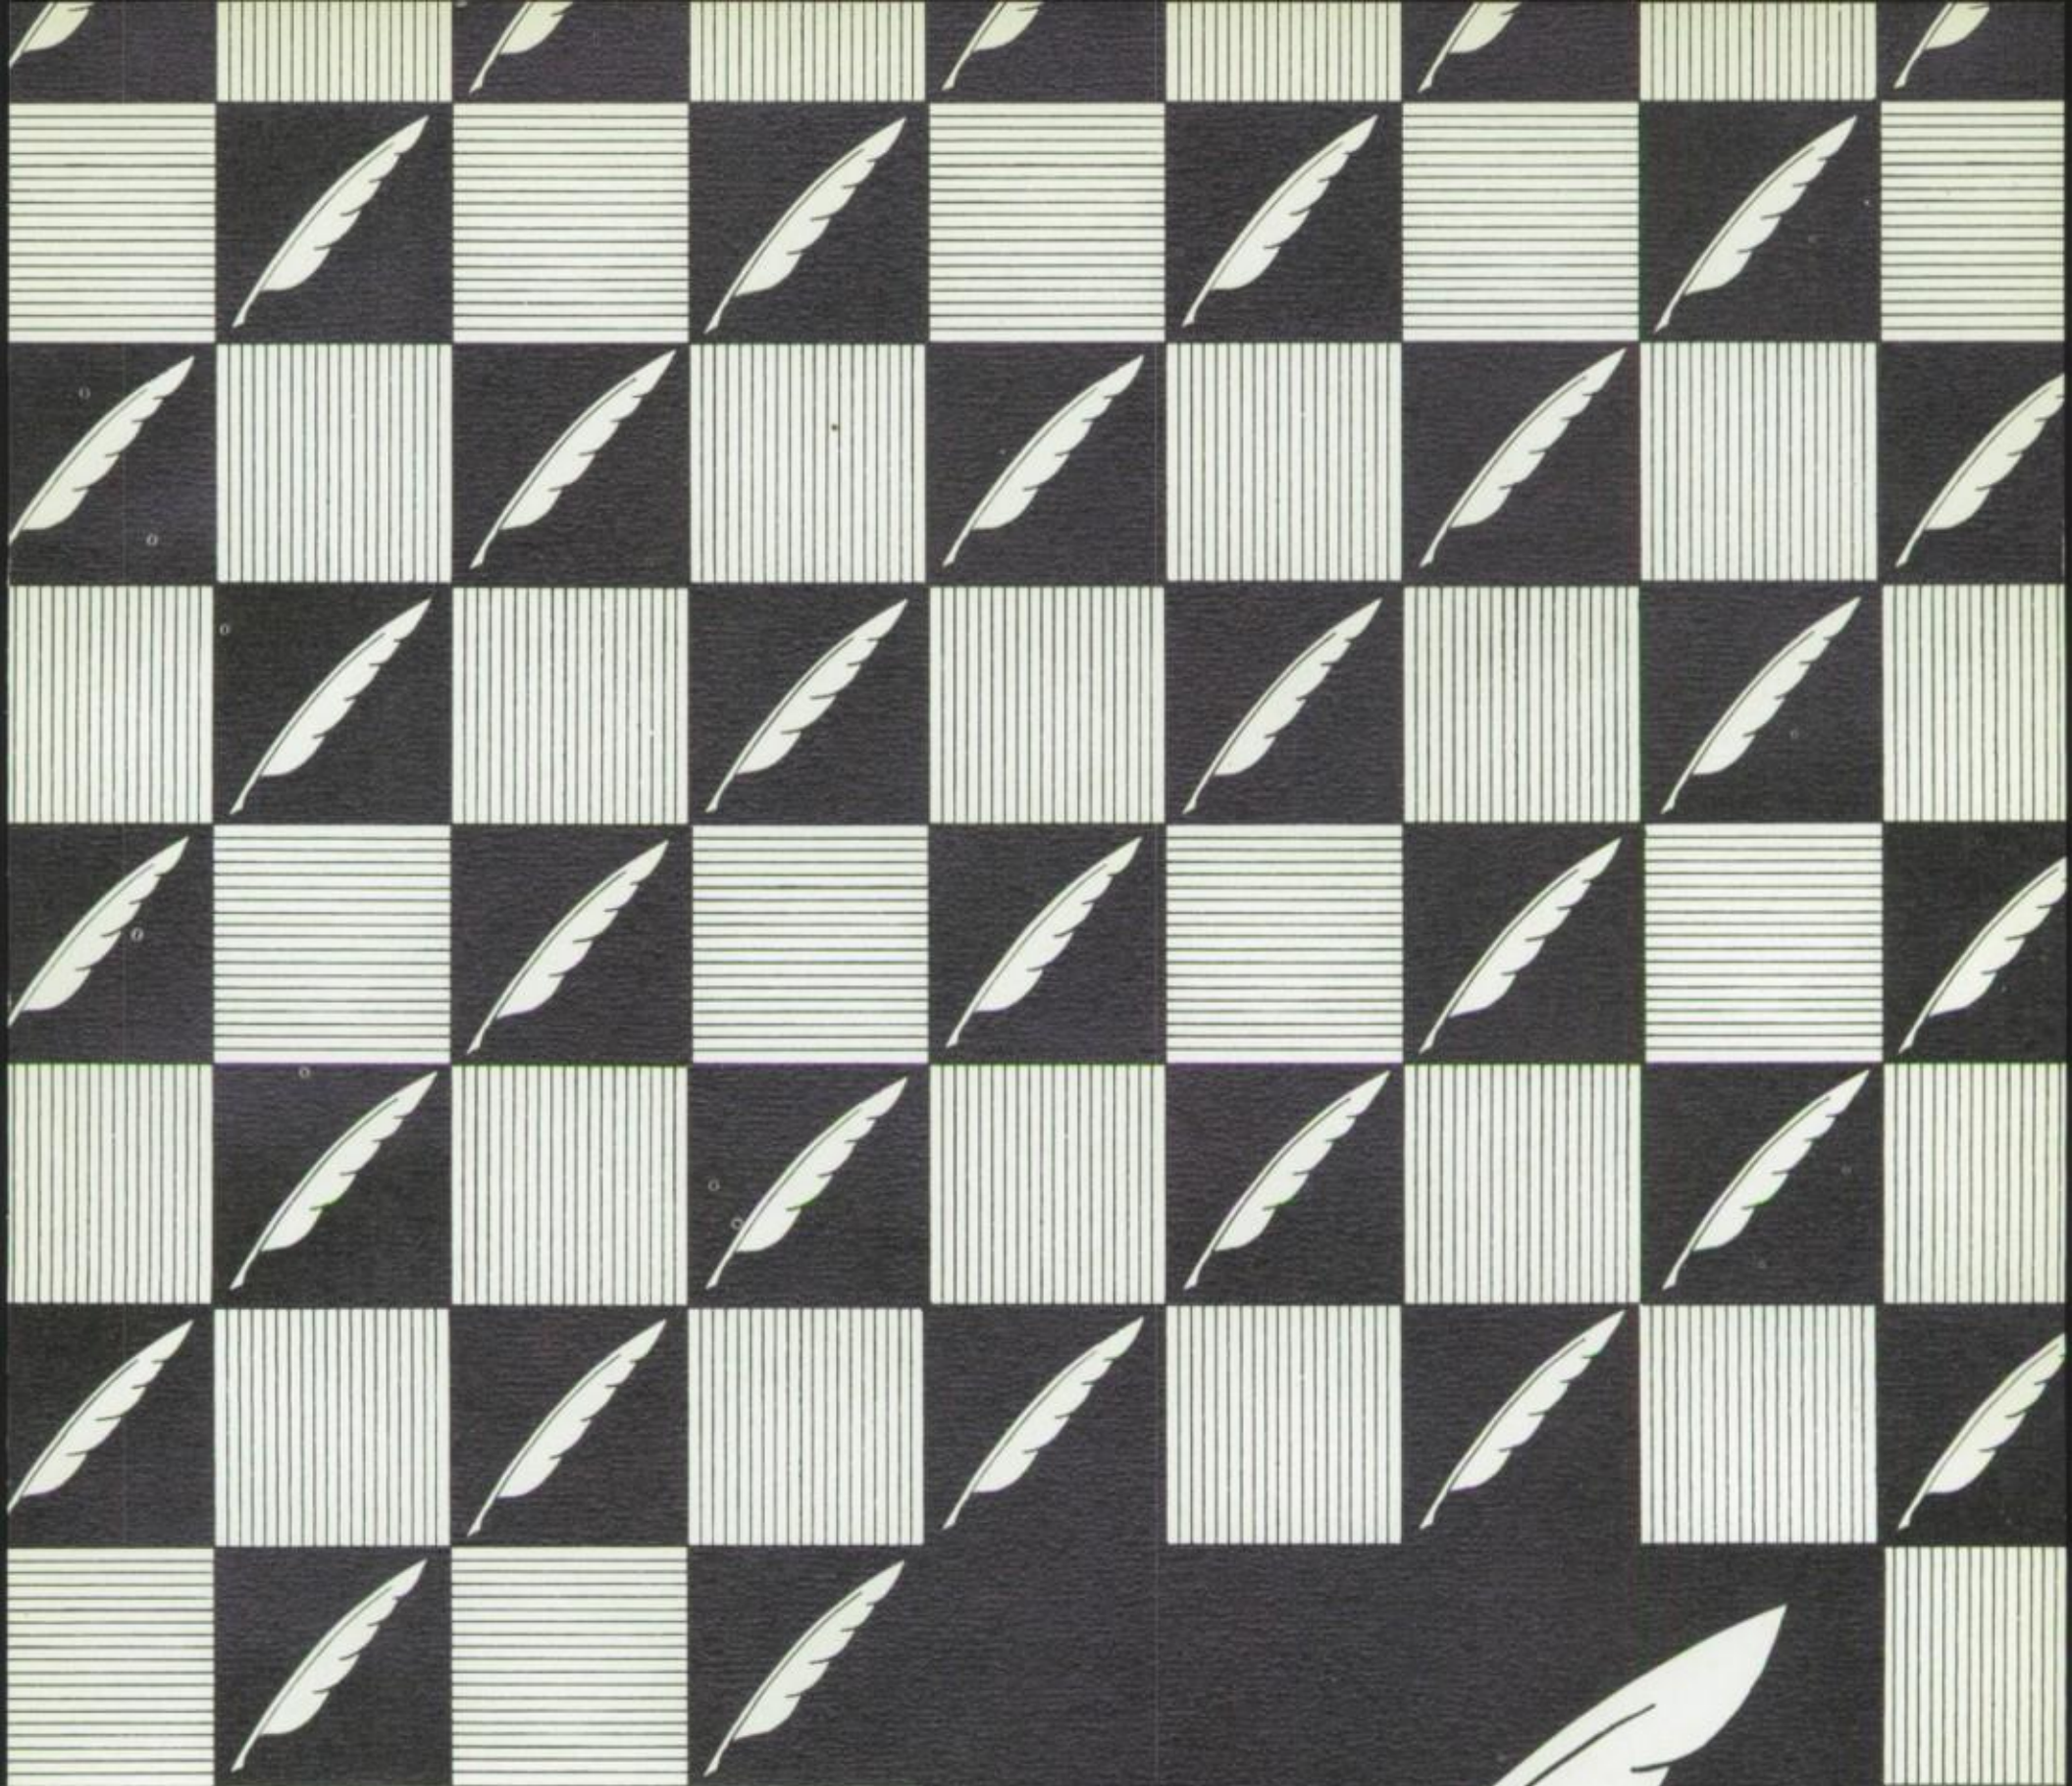

To you, the members of the school board, we wish to express our deepest gratitude and appreciation.

1966 Was a Great Year for . . .

the faculty -- the authorities, scroll-killers, givers of incompletes, A's, F's, spillers of facts. Teaching is frustration, but something near joy, when the isolated bits suddenly coalesce and the filings fly to the magnet -- when a pattern, an analogy appears, and understanding occurs.

*ADMINISTRATION
& FACULTY*

Dr. Ben F. Van Horn

Supervising Principal

THINK ON YOUR MOTTO --
Class of 1966:

"Up to the door, over the
threshold, into the world".

You have passed through many
"doors" in your life thus far.
Most of them have been opened
for you by others. Ahead stand
doors which you alone must
open if you wish to "cross the
threshold" into -- SUCCESS,
HAPPINESS, RESPECT. Keys to
these doors are in your hands --
knowledge, determination,
willingness to work, alertness to
opportunity, courage, concern
for others, honesty.

We give you the encouragement
of our faith that you will open
these doors with honor to your-
selves, your class, and your
school.

Mr. Robert St. Clair

High School Principal

We of the mid-twentieth century
are living in an age of transition
precipitated by man's inquisitive
search for knowledge. Realizing
that an unknown quantity of
today's specific learning will
become obsolete in our tomor-
row, we must anticipate the
need for changes and be prepared
to make them.

"He who will not try new
remedies must expect new evils,
for time is the greatest innovator."
The wisdom of this statement is
undoubtedly more applicable
today than when penned by the
eminent sixteenth-century
philosopher, Francis Bacon.

You, the class of 1966, and
those who follow you "over the
threshold" will build the world
of tomorrow. Build it well.

Senior Trip

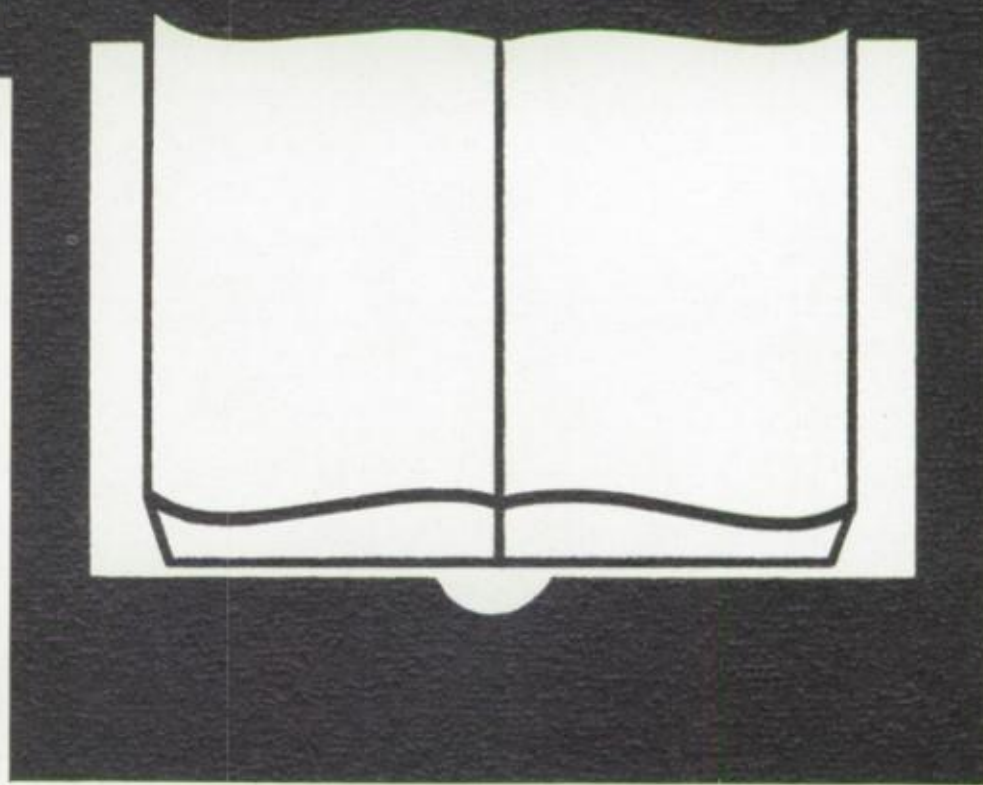

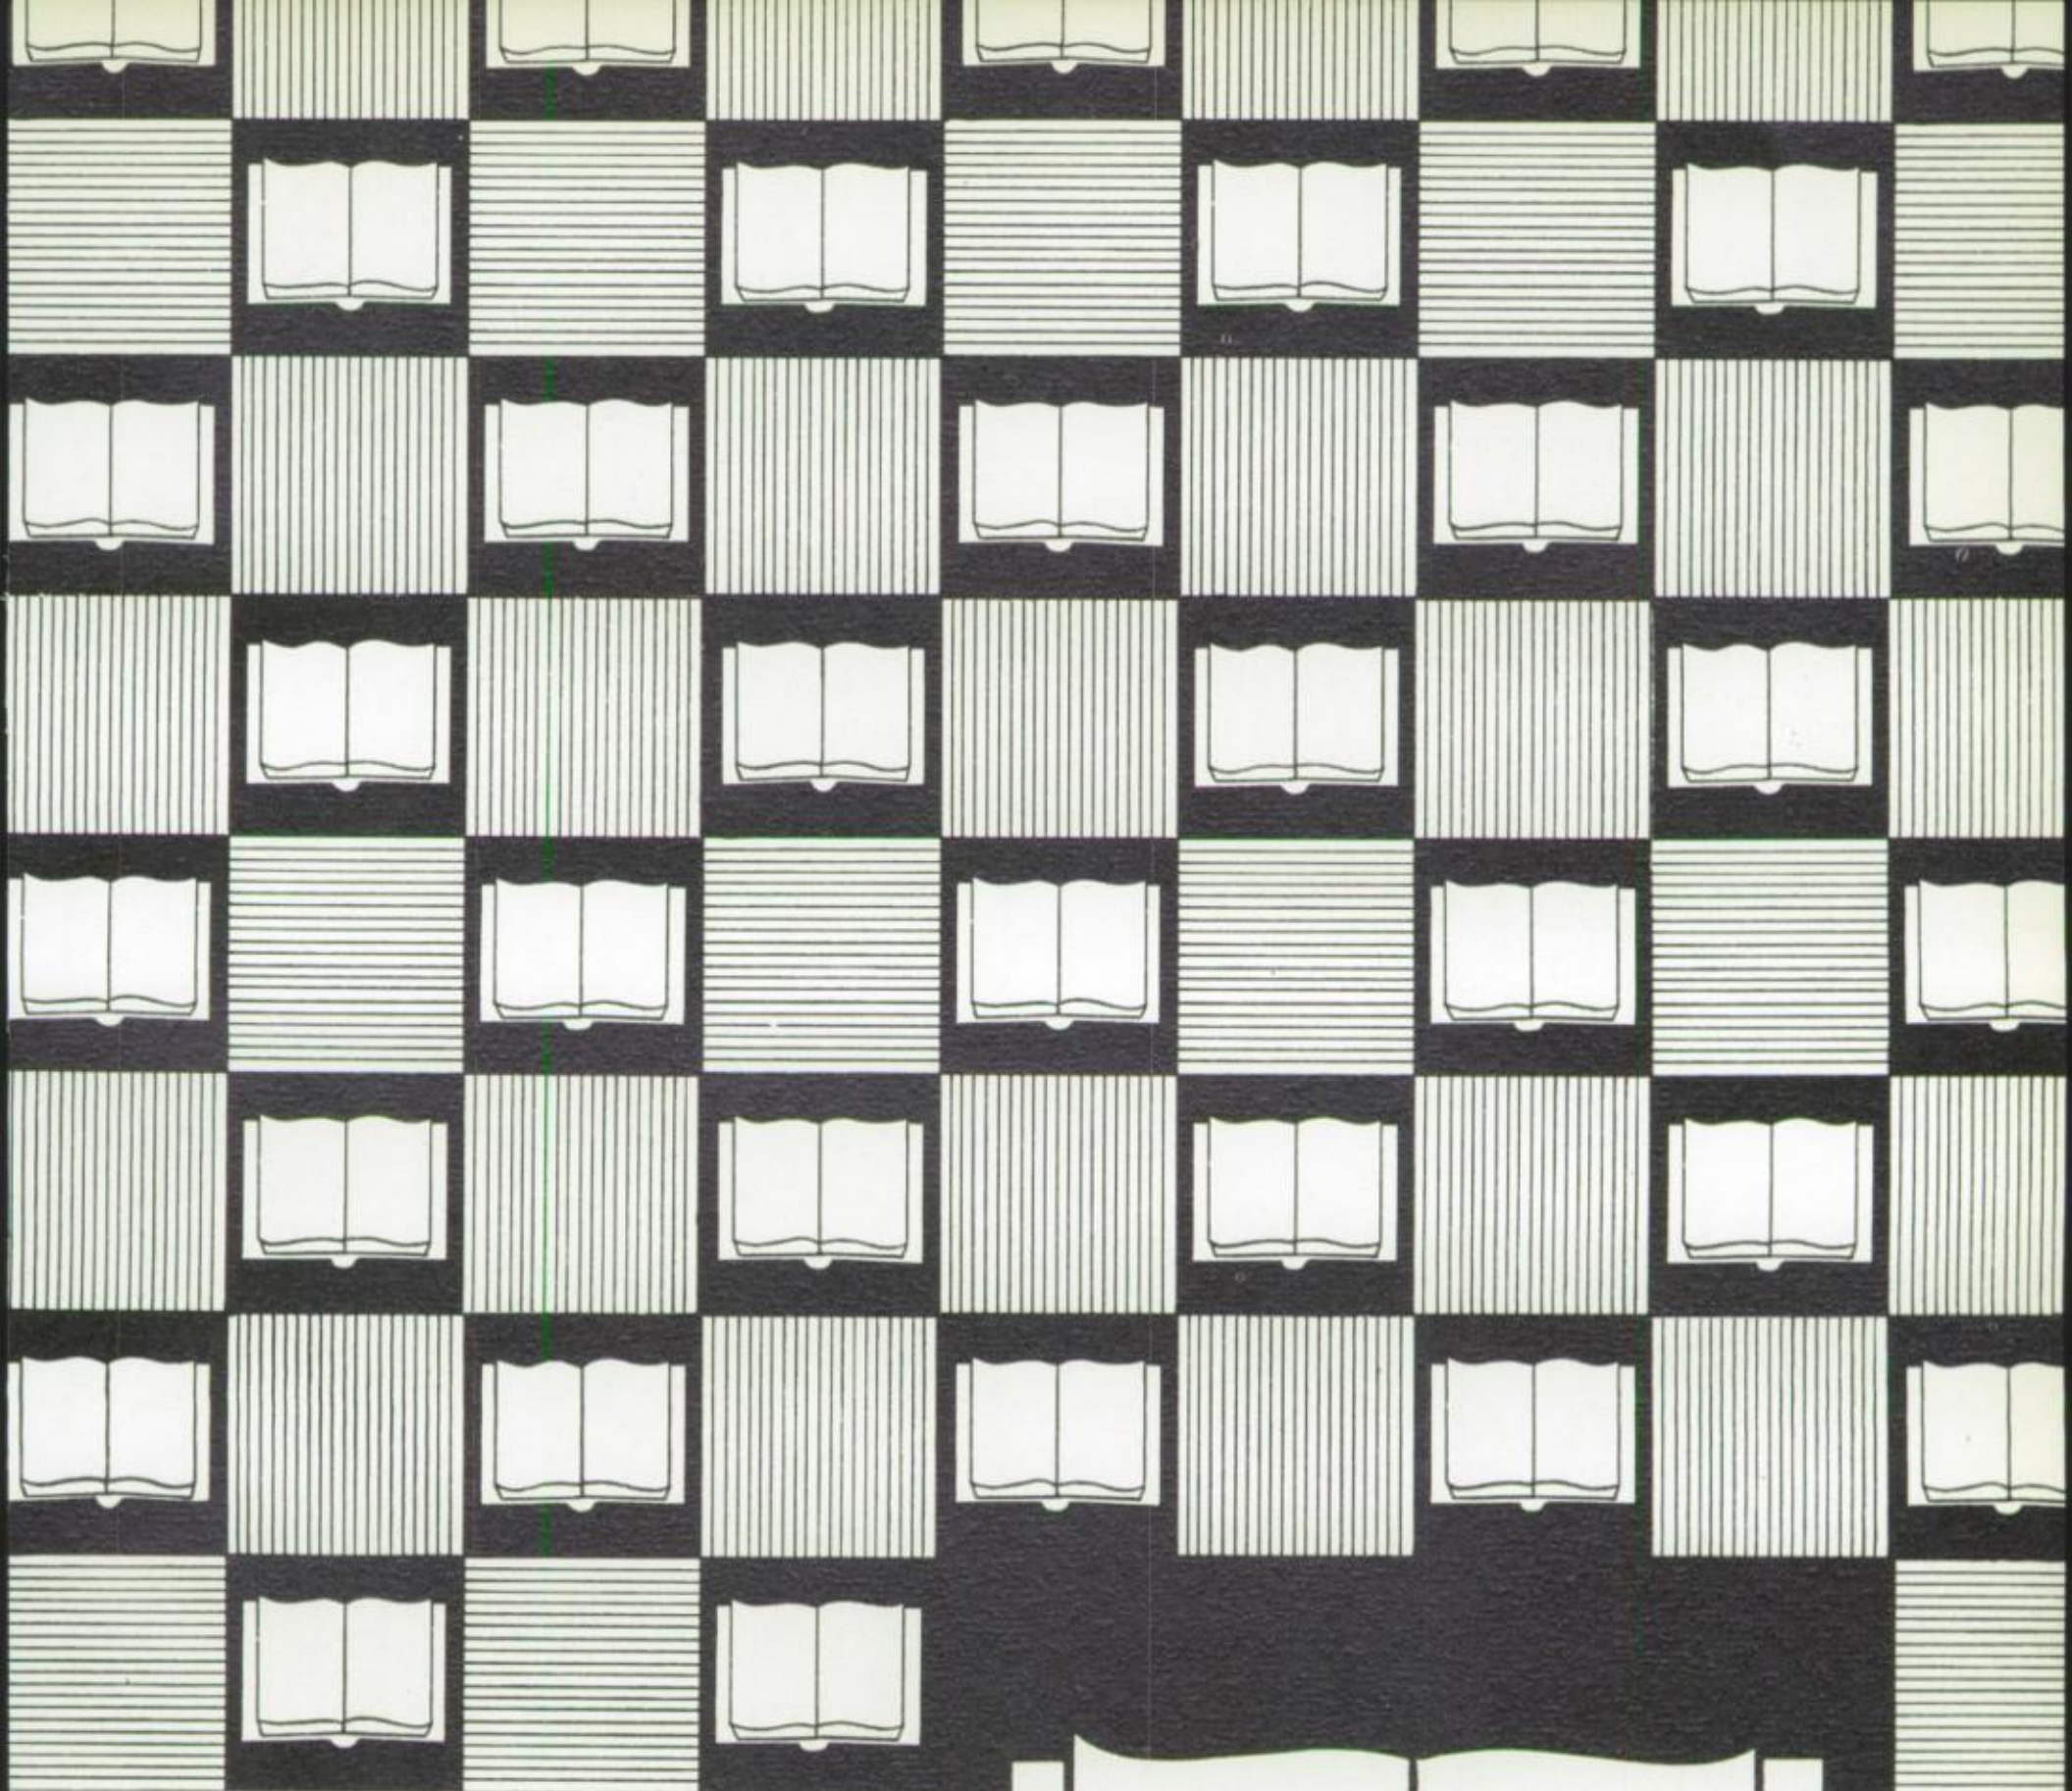

1966 Was a Great Year for . . .

the underclassmen. Being a freshman, a sophomore, or a junior is a little frightening; label it procrastination followed by despair. It's an era of decision, listening, talking, thinking, walking the halls, seeing, being, happiness . . . it's the beginning.

November 6, 1965 at 8:00 the Annual Football Dance was held at our high school cafeteria. The highlight of the evening was the crowning of the King and Queen. The Queen received a dozen red roses. Other events throughout the evening were the presentation of gifts to the senior football players and coaches from the cheerleaders. Dr. Bulger was also presented with a gift from the football players. Refreshments were served by the cheerleaders. At 10:30 everyone was dancing their last dance at the 1965 Annual Football Dance.

It was "Moonlight and Roses" for the Junior-Senior Prom at the Bedford Elks Club, May 6. There was laughter, frills, frolic, and dancing to the strains of Charlie Lockard's Orchestra. A romantic atmosphere was created by centerpieces of candles and greens, and baskets of roses. It was the night for Northern's Elizabethans. Even the faculty enjoyed the enchanting merri-ment of the gayest night of the year. Hearts leaped when last year's king and queen, Mary Evelyn Hall and John Wright crowned the new royalty, Dianne Gates and Richard Koontz. Junior and senior attendants were Janet Clayton, escorted by Lon Reffner, and Diana Hess, escorted by Roger Lippincott. -- Light refreshments -- candy, mints relishes, and punch were served. It was enchantment and enhancement -- now only recalled.

Gridiron Stars Sport Another Winning Season

Coming up with a fast start which carried them through the season, the footballers ended another winning season with a 5-4-1 slate.

The first few games of the schedule were far from prophetic. The hungry Panthers downed Southern Huntingdon, Juniata Valley, Tussey Mountain, and Chestnut Ridge. The tough Panther defense held the opposing teams scoreless while the offense pushed across for ninety points. Then suddenly everything seemed to go wrong. A strong Williamsburg team smashed the unmarred goal and downed the "Black" 24-7. Injuries cropped up and several starters were lost. The squad lost all momentum and some of its hustle, and Claysburg stopped the Panthers with a 7-7 tie. Catching fire again the Black bombed Glendale 33-6, for the final victory of the season. Everett, Central and Bellwood ran over the Panthers to end the season.

The Northern Bedford basketball squad capped the most successful season in the history of the school with two championships and a fine 15-9 record. After getting off to a slow start, losing 5 of their first 6 games, the Panther cagers came alive and ended the regular season with 11 victories in their last 13 games and a 14-8 record. The highlight of the season was the hardearned victory over Berlin for the District 5, Class B championship, giving N.B. its first basketball championship. In the following inter-district game with Ferndale, the District 6 champions, the Panthers fought gallantly but lost to the taller Ferndale team. The final glory was yet to come as the Northern Bedford team placed first in the Bedford County Foul Shooting Tournament, giving the school another honor and ending a very successful season.

Champion

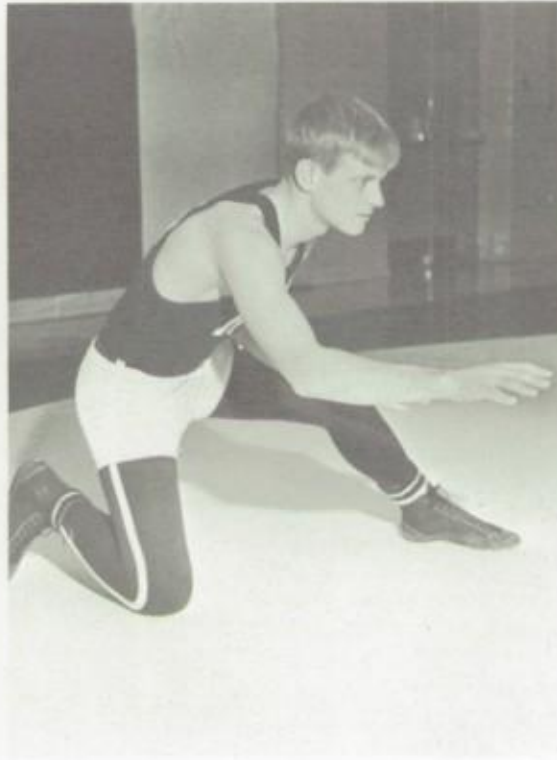

Under head coach Ivan Steele, this year's Panther wrestling squad has compiled a respectable 7-4 record. Everyone seems pleased with the squad this year, as Northern Bedford turned out a district champion, Donald Connelly, a runner-up, Larry Beach, and three runners-up at the Christmas Tournament, Donald Connelly, Percy Bollman, and Patrick Crawford. As we have only had wrestling two years, we are making a very good showing not only just in this district, but also outside of it. Winning for us this year were our regular varsity men: Dave Helsel, Robert Taylor, Preston Taylor, Steven Miller, Percy Bollman, Ralph Scott, Wade Rodland, Patrick Crawford, Roger Lippincott and Donald Connelly, captains, Harry Guyer, Larry Beach, and Dennis Albright. Also, seeing limited action this year were Dennis Cooper and Randy Weitzel. With ten regulars coming back, Coach Steele should have a fine season next year.

Good Luck, Squad!

The 17 diamondmen of Northern Bedford worked their way to third place in the Bedford County League this year, and ended the season with a 6-5 winning record.

Led by capable instructors, the baseballers formed their strong teamwork into a tall fence for any opponent and proved equally tough at the plate. Struggling with the weather as the schedule started, they pulled in six victories over Chestnut Ridge, Hyndman, Tussey Mountain, and Forbes Road; losing the other five in challenging defeats. The sluggers, fielders, managers and coaches should look back proudly on a season of enthusiasm and results.

FROM THE EDITOR'S DESK:

In striving to present to you a yearbook that will leave with you the true picture of school activities through the year, the members of your PAWPRINTS' staff have met and overcome many challenges. We hope that the preceding pages filled with familiar faces, sports action, club activities and other events will be a favorite source for fond memories in later years. The success of our efforts will depend upon the enjoyment and satisfaction received by you.

On behalf of the staff, I would like to pay special tribute to our energetic and meticulous adviser, Miss Nancy Slick. Her constant advice and guidance will always be remembered.

The value of any book depends upon the reader, his interests, and his ability to comprehend its message. If the message of PAWPRINTS re-creates the many happy and pleasant events you have experienced during this most memorable year of 1966, by appealing to your emotions, ideals or attitudes, the book will have achieved its purpose.
